

Jump into carnival!

Cayman Carnival Batabano is celebrating 35 years of uniting culture and community.

At the request of the Batabano committee, the *Cayman Compass* is producing a special commemorative feature to mark this milestone anniversary.

We invite you to support Cayman's cultural celebration by participating in this keepsake publication that will be included in the May 3 edition of the *Cayman Compass*. It will highlight the festival's rich history and cultural evolution and feature a collection of photographs through the years.

Cayman Carnival Batabano has become part of the cultural fabric of these islands, with its myriad of benefits reverberating socially, culturally and economically.
