PRESS RELEASE

28th September 2020

10:05 am

The Cayman LGBTQ Foundation would like to issue a special thank-you to all who supported and attended our Rainbow Cocktails Fundraiser held at Central Terrace on Saturday September 26th, 2020.

We'd like to thank the host of the event, Ms. Brigita and her staff at Cayman Creperie, Mojo, and Lucky Slice Pizza Studio for their outstanding service. The positive, inviting atmosphere provided us with the opportunity to introduce our goals to the wider community.

We'd like to thank the RCIPS as well as the team from National Security. Your presence and professionalism ensured a safe and enjoyable evening for our 100+ guests.

And finally, we'd like to issue a thank you to all volunteers and donors who gave their time, talents and money to the event. Your efforts and donations will greatly assist our projects aimed at outreach and bettering our relationship with the community.

Thank you all and we look forward to seeing you all again at future events.

Kinds Regards,

Noel Cayasso-Smith
